Starkey®

Made for you.

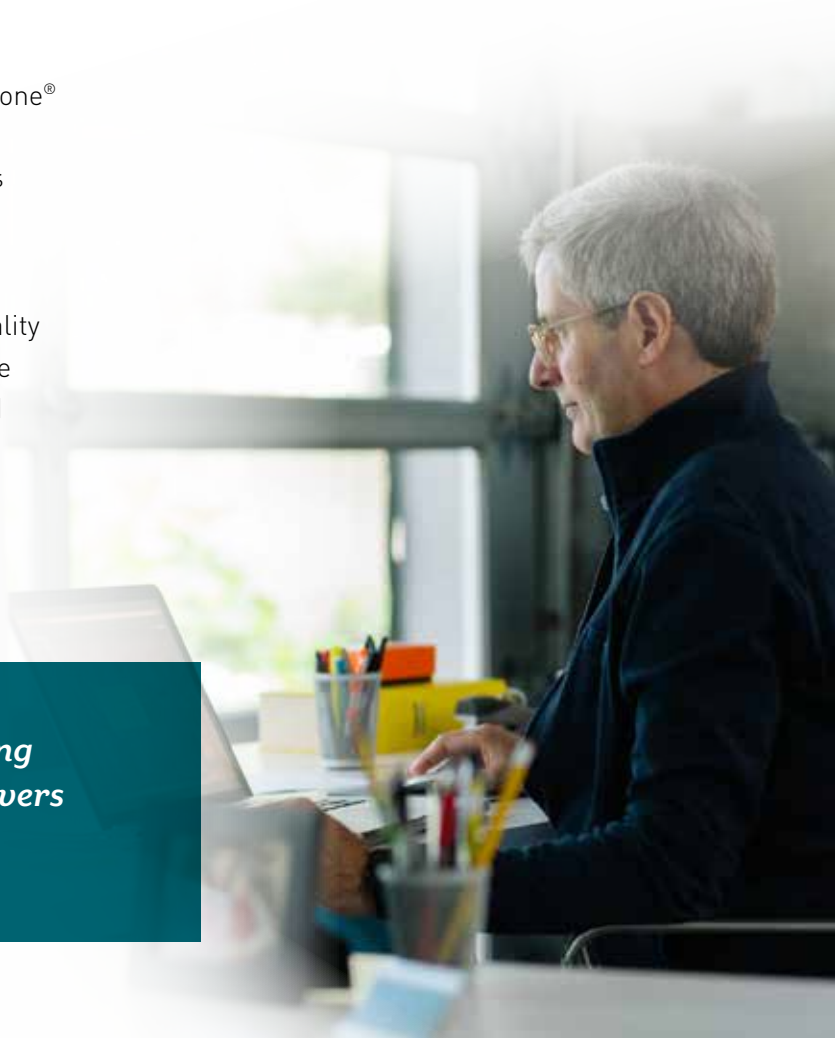
Halo 2

At Starkey® Hearing Technologies, we believe that to hear better, is to live better.

With Halo™ 2, our latest Made for iPhone® hearing aids, we can help you stay connected to the people and things you love most.

Halo 2 is Starkey's most advanced technology with supreme sound quality and premium features, customizable to fit your unique hearing needs and enhance your listening experiences.

Starkey Sound™ has cutting edge technology that delivers true listening enjoyment.



Made for staying connected.

Our latest Made for iPhone hearing aids and our easy-to-use TruLink™ Hearing Control app

are engineered to work specifically with your iPhone, iPad,® iPod touch® and Apple Watch.® Together, Halo 2 and TruLink deliver the most personalized hearing experience ever, and are designed to:

- Deliver pristine audio and exceptional listening clarity
- Help you better understand conversations and hear comfortably in any noisy environment
- Stream phone calls, music and more, directly from your iPhone to your hearing aids
- Eliminate buzzing and whistling

Made for better connections.

Halo 2 intuitively connects to your iPhone, iPad and iPod touch via Bluetooth® technology and Starkey's easy-to-use TruLink app.

TruLink offers additional features designed to enhance anywhere you go — so you can easily enjoy everything you do.

SoundSpace

TruLink SoundSpace™ enables you to easily adjust sound to your specific setting. By simply moving your finger on the screen, you can adjust sound to your liking. Save your preferences in different situations as a TruLink Memory so that you're comfortable in any listening environment.

Phone Calls

Answer your calls with the touch of a finger and hear an entire conversation streaming directly to your Halo 2 hearing aids via Bluetooth technology.

Remote Control

With adjustment, you can change volume and switch memories on your hearing aids right from your iPhone.

TruLink Memories

You can create up to 20 TruLink Memories using the SoundSpace tool on the TruLink app.

You can even geotag memories using the built-in GPS on your iPhone. A geotagged memory will recognize where you are, and automatically adjust your Halo 2 hearing aids when you enter that space. For instance, a geotagged "coffee shop" memory will automatically activate when you walk into your favorite coffee shop.

Auto Experience Manager

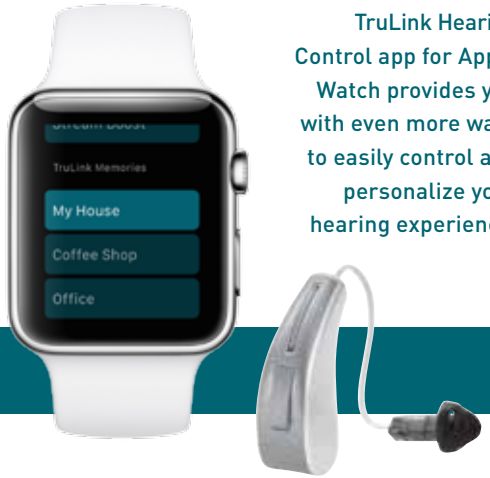
Automatically adjusts your Halo 2 hearing aids' loudness over time to help you transition to your new hearing experience in the most comfortable way possible.

Pristine Audio Streaming

Halo 2 hearing aids provide direct streaming of phone calls, music and media from your iPhone — so you can enjoy clear communication and pristine audio streaming any time, anywhere, for impressive, immersive sound.

Apple Watch compatible

Use the TruLink app for Apple Watch to control volume, change memories and mute your hearing aids right from your wrist.



TruLink Hearing Control app for Apple Watch provides you with even more ways to easily control and personalize your hearing experience.

Live Microphone

Simply set your iPhone nearby, turn on the microphone feature and stream conversations directly to your Halo 2 hearing aids. You may also record, play back and email audio as it happens or save recordings to listen later.

Siri Integration

You can have Siri® read texts and emails directly to your Halo 2 hearing aids.

Find my Hearing Aids

Easily locate lost hearing aids using the Find My Hearing Aids feature, with both a location and a timestamp. A signal detector sends a stronger or weaker signal based on how close you are to locating your Halo 2 hearing aids.

Real-time Notifications

Notifications for phone calls, texts, emails or other apps can be streamed directly to your Halo 2 hearing aids.

TruLink Adaptive Car Mode

With TruLink's Adaptive Car Mode, Halo 2 hearing aids will automatically change to a setting designed to reduce the annoying sounds of driving and enhance your overall driving experience.

Made for music lovers.

"Life seems to go on without effort when I am filled with music."

- George Eliot

Tastes in music may be unique, but the power of music is universally understood.

Thanks to the processing power in Halo 2 hearing aids, you can enjoy your favorite music in a whole new way with features that:

- Focus on music audibility, desired loudness and sound quality
- Make soft music sounds audible
- Allow on-demand and automatic control

The result is listening enjoyment for the way you want to hear music – automatically and in your control.

Made to deliver the very best.

You want	Halo 2 delivers
To hear comfortably in challenging environments	**Acuity™ Directionality** is designed to improve speech audibility in difficult listening situations along with **Speech Shift**.
Enhanced phone communication	Direct streaming of phone calls from your iPhone to your hearing aids enables clear and comfortable conversations.
Hearing that happens intuitively	Geotagged memories automatically switch modes when the GPS feature in your iPhone detects you are in a tagged location. For example, a "home" memory activates when you arrive at home.
Hearing that's personalized for you	The **SoundSpace** tool on the **TruLink** app lets you make minor adjustments to sound quality to suit your preferences in different listening environments.
No buzzing or whistling	Starkey's best-in-class feedback cancellation system providing feedback-free, comfortable listening all day long.
Durable, dependable hearing aids	**Surface™ NanoShield**, our pioneering water, wax and moisture repellant system, to protect and ensure durability and dependability.
Music the way it was meant to be heard	Adjustable via the **TruLink** app, Halo 2 allows you to experience music in a whole new way. Now you can hear every note the way the artist intended – with pure, refined sound quality.
Customizable tinnitus relief	Advanced **Multiflex Tinnitus Technology** integrated into Halo 2 to bring relief to those who suffer from ringing in the ears and adjustable via the TruLink app.

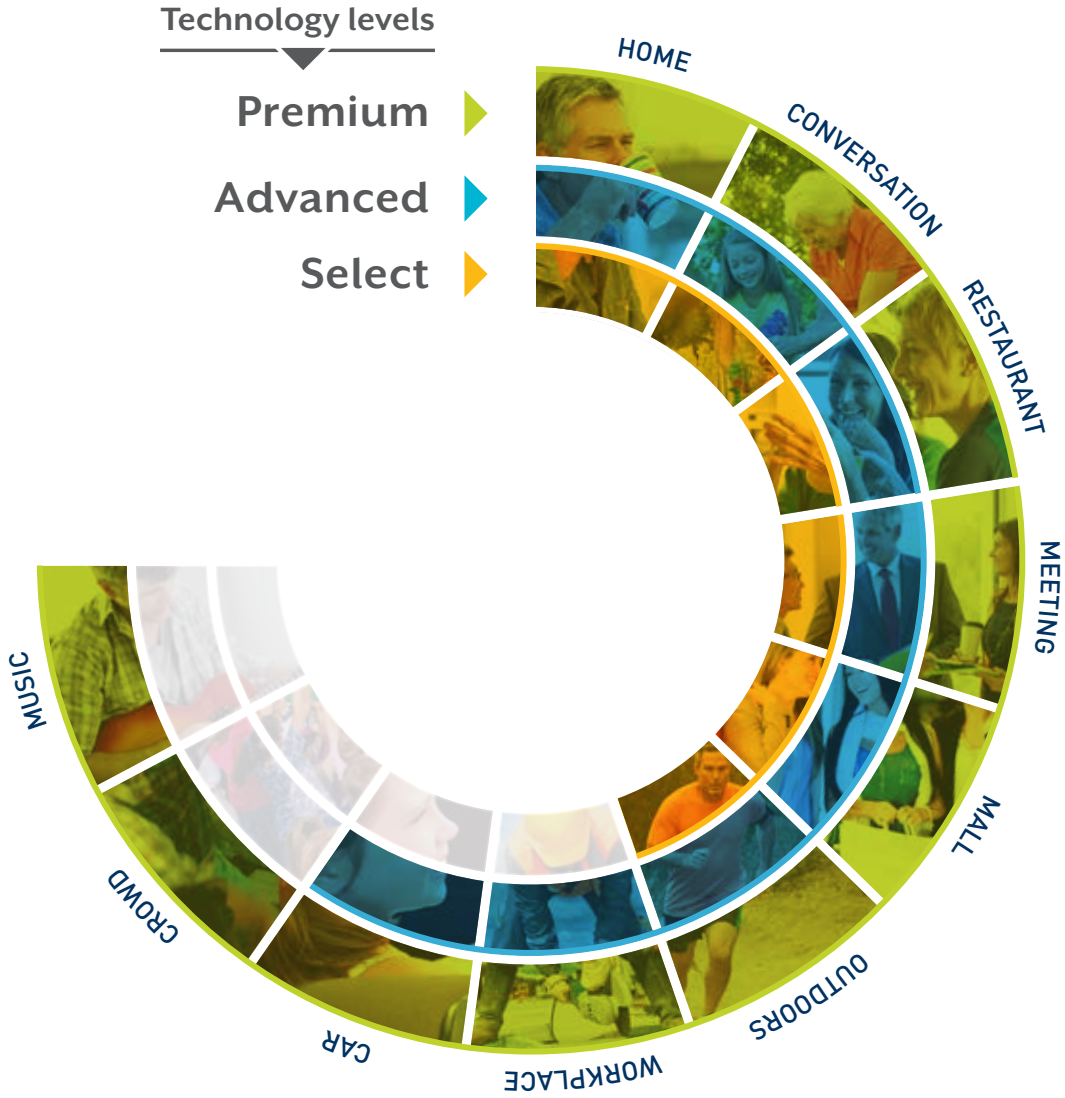
Features may vary by technology level.

Made for *everywhere* you are.

From the beginning, our hearing solutions have enabled people to hear better in difficult environments – and live a better life.

With Halo 2 hearing solutions from Starkey, you'll begin to hear all the subtleties of life: the inflection in the voice of a spouse or the nuances in the notes of a favorite song. Whether it's one-on-one or in the most crowded places, you'll hear the world around you.

Listening environments



What is your hearing lifestyle?

Our lineup of products enhances many different listening environments. What you need depends on your lifestyle and how active you are.

Compare the listening environments on the chart inside.

Made for your style.

Styles and colors

Halo 2

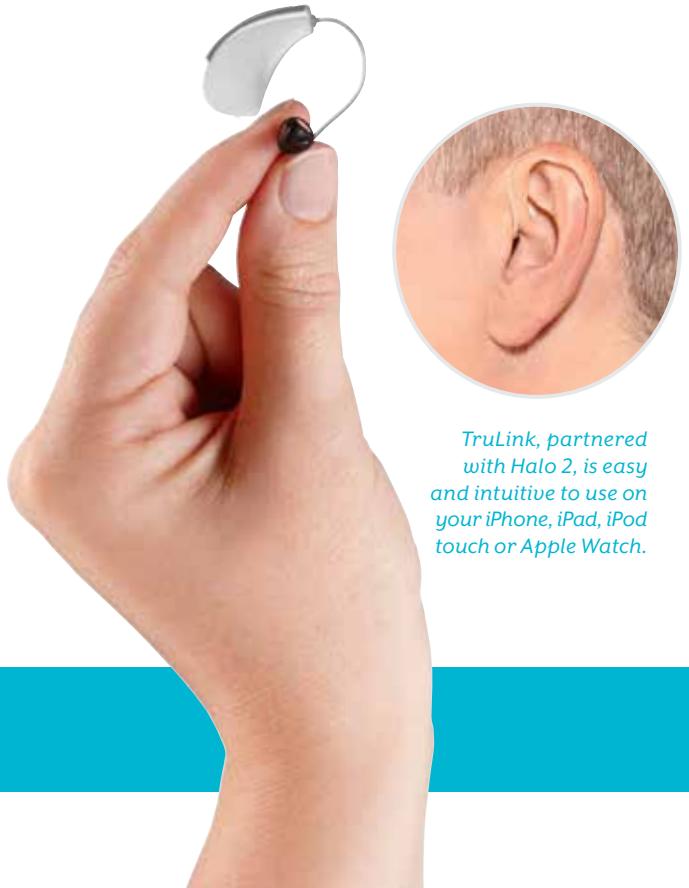
Color guide



TruLink, partnered with Halo 2, is easy and intuitive to use on your iPhone, iPad, iPod touch or Apple Watch.

Made so the world may hear.

starkey HEARING FOUNDATION

Our Founder and CEO, Bill Austin, has always held a strong belief that the gift of better hearing results in a fuller and better life.

We prove our dedication to this philosophy daily, through our support of Starkey Hearing Foundation. And for every Starkey hearing aid purchased, we help someone in need.

The gift of hearing opens up new worlds of opportunity. It connects individuals to life and helps them realize they can accomplish more than they ever thought possible. Starkey Hearing Foundation uses hearing as a vehicle to change lives around the world.

Spread hope from ear to ear. To learn more or give the gift of hearing, visit **StarkeyHearingFoundation.org**.

Made for a happy, healthy life.

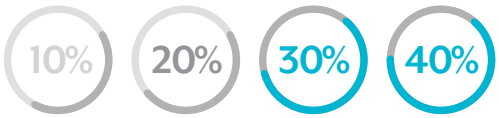
Hearing loss isn't just an ear issue, it's a quality of life and health issue.

It can occur for natural reasons, but other causes might surprise you.

Older adults*

with impaired hearing may have a **shorter life span** than their peers without hearing problems.[1]

*70 years and older



People with a hearing loss experience a **30-40% faster decline in cognitive abilities** compared to peers without hearing loss.[2]

*75 years and older

People with low-frequency hearing loss are considered **at risk** for cardiovascular events.[3]

Adults* with untreated hearing loss

were more likely to report depression, anxiety and paranoia than peers who wore hearing aids.[4]

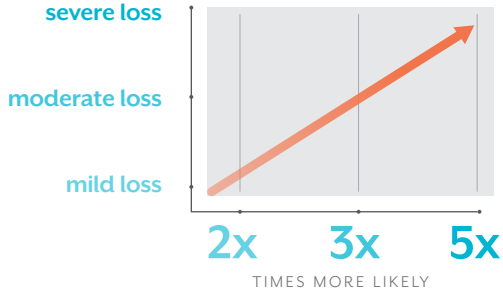
*50 years and older

Over 360 million

of the world's population

have disabling hearing loss[5]

Adults with untreated hearing loss **are more likely to develop dementia**[6]



There is a significant association between **high blood pressure and untreated hearing loss.**[7]

People with mild hearing loss are **3x more likely** to have a history of falling.[8]

90-95%

of people with **hearing loss can be treated** with hearing aids.[9]

Halo 2 hearing aids are made so people with hearing loss won't have to miss a single sound that brings them joy. They are made knowing people who hear better, live better.

Simply put, Halo 2 hearing aids are made for life.

Halo 2 and TruLink are compatible with iPhone 6s Plus, iPhone 6s, iPhone 6 Plus, iPhone 6, iPhone 5s, iPhone 5c, iPhone 5, iPhone 4s, iPad Air 2, iPad Air, iPad (4th generation), iPad mini 3, iPad mini with Retina display, iPad mini, iPod touch (5th generation) and Apple Watch. Use of Apple Watch requires iPhone 5 or later. "Made for iPod," "Made for iPhone," and "Made for iPad" mean that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod, iPhone, iPad or Apple Watch may affect wireless performance. Apple, the Apple logo, iPhone, iPad, iPod touch , Apple Watch, App Store, and Siri are trademarks of Apple Inc., registered in the U.S. and other countries.
